

Biography

Dr.Fereydoun Verdinejad

www.verdinejad.com

Fereydoun Verdinejad was born in 1956 in a middle class proletarian family in west of Iran. He ended his elementary, secondary and high education in Isfahan, Brojerd, Arak and Tehran. Verdinejad has educated in Mathematics, Language, Literature and Management. Ph.D. in Management with Policymaking partiality is his last academic document.

Before Islamic Revolution he was one of political and cultural active champions in university and also in years after revolution he played role with his presence in academic, cultural and social associations. By commencement of imposed war, he undertook several responsibilities in cultural, media and supporting fields and collaborated with war staff, army and basij (a para-military organization based on volunteers). Verdinejad during that period of time was teaching communication sciences, organizational management and finally information and database management. The result of his learning and research activities in this period are his several books and articles in management, communication, data and training affairs.

His main activity in recent decades was management of Islamic Republic News Agency (IRNA), directorship of several publications as well as national newspapers and magazines and diplomatic career as the ambassador of Iran in People's Republic of China. Laying the foundation and Chief Editor Iran newspaper (Persian), Iran Daily (English), Alvefagh (Arabic), Iran Sport, Iran Sepid (in Braille for blinds), Iran Youth magazine, Iran Azin monthly magazine (Decoration) and establishment of Iran Publications institute for publishing books and formation of news faculty was some of his efforts during his managerial period in Irna. Last but not least he is the founder and originator of Khabar College, a small sized university under IRNA's recognition, with majors related to multimedia and correspondent education.

Verdinejad from fall of 2001 was assigned as the Islamic Republic of Iran's ambassador in People's Republic of China and with his departure to Beijing remained in this obligation till 2005.

At present he is a retired member of the board scientific mission of Tehran University and is teaching in some faculty and universities.

His last official job was Political deputy of presidential office in Dr. Romaine's cabinet till 2021.
